Enhanced Group Offer

Groups can also take advantage of our 2027 Enhanced Group Offer in which groups can combine their $250 / C$300 per person Group Discount with current retail promotional offers on select Europe, Asia and Egypt cruises.

Terms & Conditions: The Upfront TA Stateroom Offer applies to new Groups contracted and deposited between October 1 and December 31, 2026, with a minimum of five (5) double-occupancy staterooms required (10 guests total). An additional Tour Conductor (TC) credit is earned once a minimum of ten (10) double-occupancy staterooms is booked (20 guests total). Offer is valid on select sailings, subject to availability. The incentive includes one (1) Category E cruise-only stateroom for the Travel Advisor (TA) on the same sailing as the group, subject to availability. Stateroom upgrades are available at 50% of brochure fare when requested within 60 days of embarkation; full brochure fare applies thereafter. Categories A+, AA+, and Suites are excluded from upgrades. Additional charges apply, including port charges, gratuities, land programs, visas, air, and transfers. A non-refundable reduced deposit of $200 USD / $250 CAD per person is due at contract signing; final payment is due 90 days prior to departure. Offer is limited to one (1) Upfront Stateroom per Travel Agency per sailing, is non-transferable, and must be used by the TA (and traveling companion, if applicable). If the group drops below the five-stateroom minimum, the TA must either pay the full retail fare, pay the applicable current TA FAM rate, or forfeit the Upfront Stateroom in exchange for one (1) Amenity Point, redeemable as one of the following: $50 USD onboard credit per stateroom; $25 USD / $35 CAD onboard credit per person; one bottle of wine per stateroom; or one box of chocolates per stateroom. Enhanced Group Offers include one (1) Amenity Point. TA may not combine or redeem both a TA FAM rate and an Upfront Stateroom. Upfront Stateroom does not apply toward TC count. Group TC credits apply once the minimum stateroom requirements are confirmed and all guests have booked the same components. TC credits apply to cruise-only. This offer has no cash value, may not be combined with other Travel Advisor incentives, may not be converted into TC credits. Standard Group Policy Terms & Conditions apply. V26SEP17LE
