GET YOUR GAME ON

Your clients can bring their game face to our outdoor Sports Complex for basketball, volleyball and dodgeball. Zipline across the ship. Play nine holes of mini-golf in the middle of the ocean. Take a spin with Flywheel Sports® or a high-energy fitness class. Sweat it out however they like.

Can you say parents of the year? So whether you're playing dodgeball or winding down in front of a huge two-story screen during movie night, families play better together with Norwegian.

Denali National Park, Alaska

There's so much more for your clients to experience beyond the coast. Our 11-, 12-, 13- and 14-Day Cruisetours combine a 7-Day cruise with a land vacation that's fully escorted by local Alaskan guides. At a musher's kennel, they'll be introduced to beloved Iditarod dogs and regaled with stories of racing 1,049 miles across mountains and tundra in sub-zero temperatures. Our Cruisetours will show them it's as wild on the inside as it is on the outside.

O`AHU EXPLORER

DAY 1 — ARRIVAL Aloha! Guests will be met at their gate and greeted with a traditional Hawaiian flower lei then transferred to their hotel. From there they are free to explore the “Playground of the Pacific,” at their leisure. Each night is theirs to enjoy Waikīkī. If they need a suggestion for dinner, the representatives at the Norwegian Cruise Line Service Center at the Waikīkī Beach Marriott will be happy to recommend the perfect place.

DAY 2 — DOLE PLANTATION | POLYNESIAN CULTURAL CENTER Guests will start their day off right with a beautiful scenic tour of O`ahu's famous North Shore, the legendary surf mecca attracting the best surfers in the world. Guests will stop at the Dole Plantation before seeing the famous surf spots, including Waimea Bay, Sunset Beach and Ehukai Beach (Banzai Pipeline) — during winter, these spots are known for monstrous waves reaching 20 to 40 feet.

In the afternoon, a stop at the Polynesian Cultural Center lets guests experience authentic island villages showcasing the traditional lifestyles of some of Hawai`i's original inhabitants from Samoa, New Zealand, Fiji, Tonga and Tahiti. They will find a variety of interactive experiences from island games and tantalizing dances to a private canoe tour, where they'll see a variety of Polynesian dances during the festive canoe pageant.

DAY 3 — PEARL HARBOR & DOWNTOWN TOUR From Waikīkī toward Pearl Harbor, guests will visit Punchbowl Crater, home of the National Cemetery of the Pacific as well as breathtaking city and ocean views. Traveling through downtown, they'll see the state capitol building, the governor's mansion, Iolani Palace (the only royal palace in the United States) and the imposing King Kamehameha statue.

From there, they will visit Pearl Harbor and enjoy observations from an expert tour guide. First, is a boat shuttle to the USS Arizona Memorial, a floating memorial built over the sunken hull of the battleship USS Arizona, the final resting place for many of the ship's crew.

Then they will tour the USS Bowfin, the submarine known as the “Pearl Harbor Avenger.” They will get a close look at its torpedo room, engine room and sleeping quarters and they will have the chance to explore the decks of the 60,000-ton battleship USS Missouri including the Surrender Deck on “Mighty Mo,” where General MacArthur accepted the unconditional Japanese surrender that ended World War II.

The afternoon continues at the Pacific Aviation Museum, within former WWII airplane hangars on Pearl Harbor's Ford Island. Guests can experience interactive flight simulators and exhibits showcasing the stories behind WWII fighter planes and bombers. Plus see planes like an authentic Japanese Zero as well as a B-25 bomber, the planes used in 1942 during the Tokyo Raid.

DAY 4 — NU`UANU PALI LOOKOUT, KUALOA RANCH & EMBARKATION DAY After checking out of the hotel, luggage will be taken directly to Pride of America.

The day continues with a scenic drive showcasing the mystical and dramatic cliffs along the Ko`olau Mountain Range with cascading waterfalls and gorgeous ocean views. Guests will arrive at Kualoa Ranch and enjoy stepping back in time and learning how ancient Hawaiians lived and thrived as a people. They will learn about early Hawaiian aquaculture and agricultural practices developed thousands of years before foreigners arrived. They will ride a catamaran fashioned after traditional Hawaiian canoes to an ancient Hawaiian fish pond where they will learn how early settlers cultivated and caught fish and they'll visit an Oyster pond where modern day cultivation is done using ancient techniques. Additional interactive experiences include the many uses of the taro plant, ti leaves and coconut palm fronds as well as the cultural history of hula and lei making.

Norwegian Cruise Line's CruiseNext Deposit Terms & Conditions

To redeem your CruiseNext Deposit(s) please call your Travel Professional or Norwegian Cruise Line at 1-866-234-7350. At the time of booking, you must advise your booking agent that you wish to apply your CruiseNext Deposit to the reservation. For guests outside the US and Canada, please call your Travel Professional or the Norwegian Cruise Line phone number listed on NCL.com

1. When you purchase a CruiseNext Deposit (CND), your shipboard account will be charged in USD and you will receive an instant shipboard credit (listed on your final bill as Non-Refundable Onboard Credit) towards your current cruise. Once the cruise has concluded, the CND will be converted into the currency of your current reservation and your CND(s) will be added to your Norwegian Cruise Line guest record (Latitudes Rewards account). Currency exchange rates are set at the time of purchase. To change the currency of a CND; simply email cruisenext@ncl.com with your Latitudes Rewards number and request the currency for your new reservation.
2. You must be 21 years of age or older to both charge a CND to your shipboard account and to use on a reservation.
3. A maximum of eight (8) CND(s) may be purchased per person.
4. CND(s) are refundable only within 30 days of purchase, in the amount paid minus the amount of the instant shipboard credit (listed as Non-Refundable Onboard Credit) received. A CND can only be applied to a new reservation and otherwise has no cash value and is not redeemable or exchangeable for cash. CND(s) are transferable to another guest at no charge. Once transferred, new CND owner is subject to all CND terms and conditions. Original CND owner forfeits rights of ownership once transfer has been completed.
5. CruiseNext Deposits (\$250 each) and CruiseNext Haven Deposits (\$500 each) are valid for sailings of 6 days or longer. CruiseNext Lite Deposits (\$100 each) are valid for sailings 5 days or less and are only available for purchase on select vessels. CruiseNext Haven Deposits act as the full deposit for all staterooms onboard qualified sailings. CruiseNext and CruiseNext Lite act as full deposit for rooms up to a MiniSuite or can be applied as partial deposit payment towards higher categories.
6. Limit of one (1) CND may be used per stateroom. You may apply two (2) CNDs to one (1) stateroom only when booking a cruise that qualifies for the DoubleUp! promotion. DoubleUp! promotion eligibility is based on redemption date and not on CND purchase date. DoubleUp! promotions may be subject to change and are subject to availability. Visit www.ncl.com/cruisenext for offer details when you are ready to book your next cruise.
7. All CNDs (including Haven and Lite options) are valid for new reservations that book and sail within 4 years from purchase date. CNDs become null and void after expiration. Failure to redeem and sail within 4 years will result in forfeiture of your CND(s). Not applicable towards existing reservations.
8. You must ask Norwegian Cruise Line or your Travel Professional to apply your CND(s) towards your new reservation. No black-out dates will apply. Reservations are subject to availability. CNDs cannot be combined with chartered cruises, barter cruises, employee, friends and family, interline or travel partner rates, Bingo Winners, or Diamonds Resort International bookings.
9. To cancel a reservation made with a CND, submit your request in accordance with Norwegian Cruise Line cancellation policies and procedures. The CND will be refunded back to the guest Latitudes Rewards account minus any cancellation fees, and will retain its original expiration date. Once a CND is applied to a reservation, it is subject to the same cancellation policy, rules and regulations as any other deposit which can be found on your reservation confirmation.
10. In addition to these Terms and Conditions, you must comply with the Norwegian Cruise Line, the Norwegian Cruise Line (Bahamas) Ltd. d/b/a NCLH and/or NCL America Inc.'s (together "NCL") Terms and Conditions of the Cruise Brochure and Passenger Ticket Contract.

Ceremonies last approximately 15 to 30 minutes. Your wedding ceremony will be performed by the approved officiant determined by your wedding package coordinator; however, the bridal couple may provide their own authorized officiant.

Please advise your wedding coordinator if any of these apply to you.

NORWEGIAN CRUISE LINE SPECIAL ASSISTANCE COORDINATORS BEFORE AND DURING YOUR CRUISE.

The Access Desk

Within our Reservations Department, an exclusive team of seasoned professionals operate to help facilitate your travel via NCL.com (www.ncl.com/case-submission/ad-cust-cases-us) or our dedicated toll free number for accessible travel (1-866-584-9756 (voice)). Specially trained in Norwegian Cruise Line's policies and procedures, after receiving your Special Accommodation Requirements Information form, they document your reservation with information concerning your service requests to help prepare our cruise staff for your vacation. A member of the Access Desk will speak with you about each and every aspect of your cruise from transportation to and from the vessel to shore excursions, your stateroom and any other expectation or need that you may have.

Onboard

Once you have boarded, you will be met by staff who will have all of the information that you conveyed to Norwegian Cruise Line either directly or through your travel professional. Staff will be available throughout your cruise to see to your needs. Norwegian Cruise Line has Access Officers who will be the primary go to person for all of your needs. Norwegian Cruise Line also has a centralized internal corporate resolution staff to assist the Access Officer, available by telephone 24 hours a day.

Advance Notice Needed

Whatever your special requirements are, Norwegian Cruise Line will do whatever it reasonably can to accommodate you.

But we do need adequate time to prepare for your arrival. Please make every effort to contact our Access Desk well in advance of your cruise – at least 90 days for interpreters and 30 days for all other requirements – if possible. A request for an interpreter with less than 90 days' notice may still be granted but cannot be guaranteed.

The more information that we have concerning any special requirement you may have, the more prepared we are to meet your needs during your cruise. What works well for others may not meet your requirements. You are the best judge to know what works best for you so rather than assume what you need is the norm; you'll have a much more enjoyable cruise experience if you tell us what you need.

We will work with you to try to meet all your reasonable needs for your cruise, but due to the nature of travel on a passenger cruise vessel, if advance notice is not given, Norwegian Cruise Line may not be able to provide you with what you need. In limited situations (either on board or ashore), we may find it necessary to ask you to make alternative travel arrangements, such as if a disabled guest is unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services. Guests who are unable to care for their basic needs (e.g. dressing, eating, and attending safety drills) MUST have a capable traveling companion. It is essential that we be notified of any special medical, physical, or other requirement you may have as soon as possible, including whether you intend to bring a scooter with you.

Pre-arranging for special assistance helps travel proceed more smoothly. Assistance is arranged for at the time of booking upon identification of your specific service request through our dedicated toll free Access Desk number (1-866-584-9756) or your Travel Agent.

Allergies

Norwegian can accommodate guests with these dietary needs.

They should be advised to notify us of the allergy so that the information can be sent to the ship.

Once on board the guest should meet with the Group Service Coordinator/Access Officer or the Restaurant Manager to further discuss their dietary needs.

Almond, Soy milk and Lactaid milk are available on board.

Guests may only bring non-perishable, pre-packaged, prepared snacks to be stored in the guest's cabin (cookies, crackers, etc.).

Guests cannot bring pre-cooked food (in any stage: frozen, chilled, etc.), food that needs to be cooked/prepared, processed or stored by ship staff.

Celiac Disease - Gluten Free Food

Pronunciation: gluten - gloot-n, celiac - see-lee-ak

We are now able to accommodate guests who, because of their lifestyle or because they suffer from Celiac's Disease, require Gluten Free meals.

When ordering Gluten Free meals for guests, please advise them that they must speak to the Restaurant Manager once they get onboard.

Gluten Free Beer

Gluten Free Beer is available onboard. Red-bridge is the only brand available.

Special Diets

The following diets can be accommodated on board:

- low cholesterol
- sugar-free
- salt-free
- vegetarian

We do not have specifically designed vegan menus/meals

****Vegan diets exclude all animal products (very strict vegetarian)****

We cannot in any way accommodate an organic diet.

Any guest requesting any of these diets should be advised to speak to the Restaurant Manager or the Executive chef once on board to further discuss their dietary needs.

Kosher Meals

Kosher Meals can be ordered no later than 30 days prior to sailing to ensure delivery of the meals to the ships. All of our Ships offer Kosher Meals for breakfast, lunch and dinner. These are frozen entrees that are special ordered. We cannot guarantee Kosher Meal requests made within 30 days of sail date. Kosher Meals requested within 30 days of sailing are based upon availability and must be processed by the Special Events Department Pilot. We DO NOT carry HALAL food onboard and cannot accommodate this diet.

Note: Kosher breads like Matzo are available onboard and on Fridays, we also have Challahs prepared for Sabbath.

An e-mail confirmation is automatically sent to each guest requesting Kosher Meals. If there is no email address on the reservation for the guest, the system will attempt to send the email to the travel partner (if applicable) or Agency. Guest's must bring a copy of the email with them onboard

Norwegian Cruise Line does not offer a Kosher/Gluten Free meal combination. Guests can request Kosher or Gluten Free meals.

Motorized Wheelchairs & Scooters

A wheelchair, scooter or walker may be the primary mobility assistance aid for getting on and off the ship for guests who cannot walk on their own. Norwegian Cruise Line has a limited supply of wheelchairs onboard. In order to accommodate our guests, Norwegian Cruise Line wheelchairs are reserved exclusively for embarkation and disembarkation situations. If you will require regular use of a wheelchair, we strongly recommend that you bring your own wheelchair with you or make rental arrangements with Scootaround. The limited supply of wheelchairs onboard is available for emergency rental arrangements and is on a first come first serve basis.

Motorized wheelchairs and scooters are allowed in our accessible staterooms provided that they are powered by gel-cell batteries and the chargers must be adaptable to 110 volts. Should you choose a stateroom that has not been designated as accessible, you will need to bring a collapsible wheelchair, or if you have a motorized wheelchair or scooter, the width must not exceed 26 inches to enter the stateroom door. All scooters and wheelchairs MUST be stored in the stateroom. Due to the safety and escape way requirements established by SOLAS regulations, they cannot be stored in the hallways, stairways, or any other public area. Beach wheelchairs can be rented for use on Norwegian Cruise Line's private island.

For additional details on the prearranged rental program, please contact our authorized vendor:

Ship Transfers & Tenders

Guests must be aware that certain vessel transfers, such as tendering and gangways, may not be fully accessible to wheelchairs or scooters at the time that they desire or that they cannot go ashore at all. When a ship is unable to dock, guests

are taken ashore on smaller boats called tenders. Some guests with limited mobility may find it difficult to embark or disembark the ship at certain times while at dock or while tendering. Note: scooters and wheelchairs and/or guests that weigh 100lbs or more are not allowed to be transferred from the ship to tender and/or from tender to shore.

Shore Excursions

Some shore excursion facilities may not be fully accessible to guests with mobility challenges. Although we endeavor to make sure that companies based in the United States provide accessible shore excursions, we cannot guarantee that all are able to provide facilities that are accessible to persons with disabilities. Moreover, shore excursions in foreign ports can present challenges to disabled guests. For detailed, up-to-date information on accessibility issues involving shore excursions, we strongly recommend that you contact the Shore Excursion Department (866)625-1167 prior to travel.

Amenities and Services include:

A request for sign language interpreting should be made with the Access Desk at the time of booking through the Special re-quirements Information Form that can be obtained from the Access desk, but no later than 90 days prior to sailing. Requests are subject to a number of considerations, including but not limited to, the availability of interpreters and cabin space. Sign language interpreting services may be provided on cruises that depart from and/or return to the U.S.
- TTY Phones are available onboard all ships except Norwegian Spirit that use handy phones and text messaging.

SERVICE DOGS

Norwegian Cruise Line accepts service dogs that are trained to perform a specific task. A service dog may be needed for many different conditions, which would be acceptable under the American with Disabilities Act (ADA) guidelines.

In accordance with the ADA, Norwegian Cruise Line does NOT accept "Emotional Support" dogs as service dogs, they CANNOT sail.

- Guests must provide copies of the dog's current vaccination records that show all shots are up-to-date (including Rabies), as well as a USDA or International Health certificate.
- Guests are responsible for checking with all ports of call for any special requirements they may have. Guests are responsible for bringing all food, medication and life jacket for the dog.
- A relief box will be provided. Any material needed for the relief box, i.e., Sod, wood chips, sand, will need to be communicated to the Access Desk so that we can make the necessary arrangements.

All guests traveling with service animals must book at least two weeks in advance to allow sufficient time to check with each port of call and provide Norwegian Cruise Line with all required documentation.

Other Needs or Challenges

Norwegian Cruise Line welcomes guests with medical, emotional or any other challenge to Freestyle cruising. If you have a need that has not been discussed, we encourage you to contact us at the Access Desk regarding your special requirements or requests and our policies and procedures. Please call (866) 584-9756 (voice), fax (305) 468-2171, or send an e-mail to accessdesk@ncl.com, or have your travel agent contact us.

- Boarding and disembarkation assistance

Special Medical Dietary Requirements and Diabetes

Guests with food allergies should contact the Access Desk to discuss Norwegian Cruise Line's policies and procedures concerning special diets and your specific allergies prior to your cruise. Because the vessels are supplied all over the world, it may be easier to meet your specific food allergy requirements in some countries, but very difficult in others. We can arrange to have no sugar and low sodium meals for guests with those specific medical dietary restrictions upon request. Refrigerators are available in many staterooms for storing insulin.

Dialysis

Guests requiring continuous ambulatory peritoneal dialysis are welcome to board all vessels. However, **Norwegian Cruise Line does not have the ability to assist or administer hemo-dialysis treatments.** Those guests using peritoneal dialysis should have all solutions and equipment needed to perform the dialysis delivered to the vessel on the day of sailing at least two hours prior to sailing. Please contact the Access desk prior to the cruise for more information on Norwegian Cruise Line's policies and procedures.

Oxygen

The ship is not equipped to provide guests with these services other than on an emergency basis in the Ship's Medical Center. For security and safety reasons, we have selected **Scootaround** as the **only outside vendor that we will permit to deliver oxygen supplies to the ship.** We believe they will meet your onboard respiratory needs:

NCLU FAQ

Q: What is new on NCLU?

A: You've asked, we've listened! As part of our commitment to continue to put our valued travel partner relationships first and to provide you with the necessary tools you need to make doing business with Norwegian a breeze, we have completely overhauled NCLU. This new learning platform has new course content, a new achievement level structure plus a new look and feel that were thoughtfully created to make you a Norwegian expert in no time.

Q: How do I get started with NCLU?

A: You can access NCLU by logging in to Norwegian Central and clicking the "NCLU" button. We highly recommend starting with the NCLU Orientation course. It will give you an overview of the program and how it works. Then, start working towards earning your Associate Degree. Take the Core Course and you're on your way!

Q: I was already part of NCLU, do I have to start over?

A: All past users that have been active on NCLU since January 1, 2016 plus all Norwegian Specialists have been migrated to the corresponding level in our new NCLU program. We're excited to welcome agents to the new NCLU and invite all new agents to get started with our Core Course.

Q: What is my new level?

A: We now have four new achievement levels:

- Anyone new to NCLU, anyone who has not logged into the old NCLU since January 1, 2016, and anyone who has not completed the Core Course, will be at Orientation level
- Anyone at the Freestyle Specialist level was migrated over to the new Associate Degree
- Freestyle Advanced Specialists were awarded Bachelor's Degree level
- Freestyle Certified, Bronze, Silver and Gold levels were all awarded Master's Degree level
- Travel partners who achieved the Norwegian Specialist level under the old program rules were transferred over to the new Ph.D. Degree level.

Q: Where can I find my rewards and profile information?

A: You can find the badges you've earned, and download your email signature icons and NCLU Degree Certificates on the My Account page, which can be accessed from the top menu under your profile picture. For a complete description of NCLU rewards, go to the "Program Details" page under "About NCLU".

Q: How do I book a cruise with the Reduced Rate Program?

A: After you've reached your Associate Degree or higher, you can log into your My NCL account on NCL.com and book your own reduced rate cruises. Your reduced rate discount will update automatically as you earn higher degrees.

Q: How do I learn the different NCLU achievement levels?

A: NCLU levels are achieved based on the number of courses you take. The first three (Associate, Bachelor's and Master's) levels require only course completions, while the Ph.D. Degree has a booking requirement as well.

Q: How do I reach the Ph.D. Degree level and earn the free cruise?

A: Once you have completed all the requirements for the Master's Degree, you will need to take two Graduate Courses, three Electives of your choice and make five bookings for any 7+ day or longer cruise (they must be sailed cruises). Once the cruise has sailed, it will be counted towards your Ph.D. Degree qualification. Qualifying cruises booked on BookNCL.com via Norwegian Central or through the Norwegian Cruise Line contact center will automatically show up on your My Progress page. Cruises booked in a GDS or internal agency booking engine will need to be submitted for validation on your My Progress page. Please note that you will not be able to submit bookings or view already validated cruises on your My Progress page until you reach Master's Degree level.

Q: How do I redeem my free cruise?

A: Once you meet all of the Ph.D. Degree requirements, you will see the "Ph.D. Free Cruise" link under the "About NCLU" drop down in the top menu. Fill out the form, add your guest information, select your preferred sailings and submit. You will also need to provide proof that you are an agent by submitting a copy of your current IATA, CLIA or TRUE card, or your 1099. Once your booking is confirmed you will receive an email confirmation from our Reduce Rate Desk.

Q: I've moved agencies, what do I do to transfer my achievement level?

A: When you log into NCLU via Norwegian Central with your new agency credentials, you will be asked to enter your Guest Number/ Client ID from your NCL.com profile. If we recognize this number from your previous NCLU / Norwegian Central account, we will ask you to answer your security question that was set up during your NCLU registration under your previous agency and we will automatically merge your accounts.

Q: How can I connect with NCL Executives and other NCLU students?

A: We'd love to connect! Go to the "Connect" page on NCLU to find our Partners First Facebook page, ask Camille questions and join our new private Facebook group, the NCLU Student Union.

Q: Where can I address any questions about NCLU or send feedback?

A: Visit the "Contact Us" page on NCLU or email nclufedback@ncluniversity.com for any questions or recommendations regarding NCLU.
